INVITATION TO SUBMIT REQUEST TO PARTICIPATE

EuroAsia Interconnector Limited, a subsidiary of Cyprus-based Quantum Energy Limited and with the participation of Greek Public Power Corporation (PPC) S.A., invites all Economic Operators to submit a Request to Participate in a “Negotiated Procedure with Prior Call for Competition” for the award of the works contract with object:

“EuroAsia Interconnector VSC HVDC Converters”

The tender procedure will reflect the principles of Directive 2014/25/EU of the European Parliament and of the Council of 26 February 2014 for “Negotiated Procedures with Prior Call for Competition” and of the applicable legislation of the Republic of Cyprus. A Contract Notice for the above-mentioned contract has been published in the Official Journal of the European Union (OJEU) on 17 April 2018 with publication number 2018/S 074-165446 (short version 165446-2018).

EuroAsia Interconnector Limited is the project promoter of EuroAsia Interconnector, a Project of Common Interest (PCI) of the European Union that will link the electrical systems of Israel, Cyprus and Greece (Crete and Attica) in creating a reliable energy bridge between the continents of Europe and Asia. EuroAsia Interconnector is included in the 2017 PCI list as cluster PCI 3.10 consisting of the following PCIs:

- PCI 3.10.1 - Interconnection between Hadera (IL) and Kofinou (CY)
- PCI 3.10.2 - Interconnection between Kofinou (CY) and Korakia, Crete (EL)
- PCI 3.10.3 - Internal line between Korakia, Crete (EL) and Attica region (EL)

Grants have been previously approved and provided by the Connecting Europe Facility (CEF) for the execution of the studies for the EuroAsia Interconnector project. An application for co-financing the construction of the project through a grant by the relevant financier of the European Union will also be submitted to the Connecting Europe Facility (CEF) of the Innovation and Networks Executive Agency (INEA). Other forms of EU financing are also under consideration.

This Invitation provides supplementary information to the Contract Notice published in the OJEU and it can be found in Appendix II of this Invitation and further clarifies the requirements for participation and the information to be submitted by the Economic Operators with their Requests to Participate.

The Estimated Value of the Contract is one billion and twenty million euro (EUR 1.020.000.000). This amount does not include Value Added Tax (VAT) and it does not constitute the upper bid limit.

Article 2: Object, Place, Description and Essential Characteristics of the Project

1. Object of the Contract

The object of the contract is "EuroAsia Interconnector VSC HVDC Converters".

2. Description of the Project

EuroAsia Interconnector is a multi-terminal VSC-HVDC scheme which will connect Crete and Attica in Greece, Cyprus and Israel, and will comprise four converter stations with sea-electrodes, interconnected by cables. The initial development will allow the transfer of minimum 1.000 MW between converter stations and the envisaged voltage level will be ± 400 kV or more. The scheme will be developed under four (4) tender procedures:

- Procurement of the VSC HVDC Converters
- Procurement of the HVDC submarine cables and land cables for Link 1: Israel – Cyprus
- Procurement of the HVDC submarine cables and land cables for Link 2: Cyprus – Crete
- Procurement of the HVDC submarine cables and land cables for Link 3: Crete – Attica

This tender procedure concerns the first of the above-mentioned tender procedures and encompasses the design, manufacture, supply, installation and commissioning of the four (4) HVDC VSC Converters and the four (4) sea-electrodes including the MVDC submarine cables that will connect the land MVDC cables at the landing point with the sea-electrodes. One Converter and its associated sea-electrode will be installed in each of the four (4) locations, namely Israel, Cyprus, Crete and Attica.

The sea-electrodes will be located:

- In Attica at a distance of 37 km from the landing point at a water depth of 30 m.
- In Crete at a distance of 10 km from the landing point at a water depth of 74 m.
- In Cyprus at a distance of 8 km from the landing point at a water depth of 40 m.
- In Israel at a distance of 46 km from the landing point at a water depth of 190 m.

3. Place of Execution of the Contract

The place of execution of the Contract shall be Crete and Attica in Greece, Cyprus and Israel. Part of the Contract shall be executed offshore in the above-mentioned locations.

Article 3: Eligibility and Requirements for Participation

1. Eligibility for Participation

Eligible for participation in the present tender procedure are all Economic Operators meeting the legal, financial, technical and other requirements provided in this Invitation.

2. Participation Proportion for Consortia

Economic Operators who are consortia of natural and/or legal persons may jointly participate in the present tender procedure, under the condition that the participation proportion of each person of the consortium is clearly stated in the Request to Participate.

3. Legal Form for Consortia

Consortia are not obliged to take a specific legal form in order to participate in the tender procedure. However, if applicable, the awarded Consortium will be requested to take a specific legal form before the signing of the Contract. Interested Economic Operators should note that the Awarded Tenderer may be required to enter into an Interface Agreement with the Awarded Tenderers of the other procurement procedures related to the implementation of the EuroAsia Interconnector as these are defined in Article 2(2).

4. Unique Participation Requirement

Every natural or legal person (governed by public or private law) may participate in the tender procedure either individually or in one consortium only.

5. Subcontractors

To implement the Contract Scope, the Candidates may use subcontractors. It is understood that in the event the Interested Economic Operator intends to subcontract to third parties and

any proposed subcontractors any share of the Contract, the Interested Economic Operator, in preparing his Request to Participate, has been informed whether the same subcontractor participates in any way whatsoever in another Request to Participate in the same tender procedure.

Qualified Candidates will have to indicate in their Tenders the specific part of the contract that they intend to subcontract to third parties and any proposed subcontractors. This indication shall be without prejudice to the question of the Tenderer's liability.

6. Legal Requirements

To participate in the tender procedure, Candidates must meet the following requirements concerning their personal situation:

- a. They must not have been found guilty, convicted by final judgement and neither have admitted:
 - participation in a criminal organisation (as defined in Article 2 of Council Framework Decision 2008/841/JHA of 24 October 2008 on the fight against organised crime),
 - corruption (as defined in Article 3 of the Convention of the fight against corruption involving officials of the European Communities or officials of Member States of the European Union and Article 2(1) of Council Framework Decision 2003/568/JHA),
 - fraud (within the meaning of Article 1 of the Convention relating to the protection of the financial interests of the European Communities of 27/11/1995),
 - terrorist offences or offences linked to terrorism (as defined in Articles 1 and 3 of Council Framework Decision 2002/475/JHA of 13 June 2002 on combating terrorism) or inciting, aiding or abetting an offence as defined in Article 4 of the aforementioned Decision,
 - money laundering or terrorist financing, (as defined in Article 2 of the national laws for the Prevention and Suppression of Money Laundering and Terrorist financing (laws of 2007 - 2016)),
 - child labour and other forms of trafficking in human beings (in accordance with Article 2 of the Law 60(I) of 2014 of the Republic of Cyprus on the Prevention, Fighting against Trafficking in and Exploitation of Human Beings and Protection of Victims).

It is noted that the obligation of the Contracting Entity to exclude Economic Operators from the procurement procedure is also applicable if the person found guilty, convicted by final judgement or having admitted any of the above, is a member of an administrative,

management or supervisory body of the Economic Operator or has powers of representation, decision or control therein.

- b. They must not be in breach of their obligations relating to the payment of taxes or social security contributions as at the closing date for the submission of Tenders, where these have been established by a judicial or administrative decision having final and binding effect in accordance with the legal provisions of the Republic of Cyprus or with those of the country where they are established.

It is noted that the Contracting Entity can exclude an Economic Operator from participation in the procurement procedure where it can demonstrate by any appropriate means that the Economic Operator is in breach of its obligations relating to the payment of taxes or social security contributions.

- c. They must not be bankrupt or the subject of insolvency or winding-up proceedings, their assets must not have administered by a liquidator or by the court, they must not be in an arrangement with creditors, their business activities must not be suspended, and they must not be in any analogous situation arising from a similar procedure under the applicable national laws and regulations of the Republic of Cyprus.
- d. They must not be guilty of grave professional misconduct including, but not limited to, violations of competition rules or of intellectual property rights, which renders them unreliable and their integrity questionable, as this can be demonstrated by the Contracting Entity by appropriate means.
- e. They must not have entered into agreements with other Economic Operators aimed at distorting competition, where the Contracting Entity has reasonably plausible indications to conclude so.
- f. They must not have a conflict of interest that cannot be effectively remedied without excluding them from participation in the tender procedure.
- g. They must not have distorted the competition from the prior involvement in the preparation of the procurement procedure, unless this can be effectively remedied without excluding them from participation in the tender procedure.
- h. They must not have shown significant or persistent deficiencies in the performance of a substantive requirement under a prior public contract, a prior contract with a contracting entity or a prior concession contract which led to early termination of that prior contract, damages or other comparable sanctions.

- i. They must not be guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, must not have withheld such information or are not able to submit the supporting documents required.

7. Consortia Requirements

It is understood that if the Candidate is a consortium of natural and/or legal persons, the requirements of Article 3(6) must be met by all consortium members.

8. Other Entities

The same requirements of Article 3(6) must be met by the entities whose capacities the Candidate is invoking, within the meaning of Articles 3(10) and 4(4).

9. Economic and Financial Requirements

To participate in the tender procedure, Candidates must meet the following requirement concerning their economic and financial standing:

Their average annual turnover for the last three (3) financial years must be at least equal to one hundred million euro (EUR 100.000.000) in the HVDC business line.

10. Disposal of Resources

A Candidate may rely on the capacities of other entities, regardless of the legal nature of the links it has with them, in order to fulfil the requirement of Article 3(9). In such a case, he must be able to prove to the Contracting Entity that he shall have at his disposal the resources necessary including, but not limited to, by delivery of an adequate commitment by those entities to that effect.

It is noted that where a Candidate relies on the capacities of other entities with regard to criteria relating to economic and financial standing, the Contracting Entity may require that the Candidate and those entities be jointly liable for the execution of the Contract.

11. Cumulativeness of the Economic and Financial Requirements

It is understood that if the Candidate is a consortium of natural and/or legal persons, it is sufficient for the requirement of Article 3(9) to be met cumulatively by the consortium members.

Article 4: Technical and Professional Ability

1. Technical and Professional Requirements

To participate in the tender procedure, Candidates must meet the following requirement concerning their technical and professional ability:

They must have successfully completed at least two VSC HVDC convertor stations in different interconnection projects, rated at or above 500 MVA and at or above ± 200 kV DC during the period 2013 – 2018. The term 'completion' shall mean that the implementation of the related HVDC interconnector projects are at least 60% complete in terms of the amount disbursed with respect to the total value of the projects, as of the date of submission of the Request to Participate.

2. Cumulativeness of the Technical and Professional Requirements

It is understood that if the Candidate is a consortium of natural and/or legal persons, it is sufficient for the requirements of Article 4(1) to be met cumulatively by the consortium members.

3. Quality Assurance Certification Requirements

Candidates should be certified in accordance with the CYS EN ISO 9000 series of Cyprus standards, by a recognised Institute or Organisation, for the provision of works and services similar to those put out to tender, or hold some other equivalent certification issued by Organisations having their registered office in Member States of the European Union, or other proof of the existence of equivalent quality assurance measures for the works and services that they provide. It is understood that if the Candidate is a consortium of natural and/or legal persons, this requirement must be met by all consortium members.

4. Relying on other Entities

A Candidate may rely on the capacities of other entities, regardless of the legal nature of the links it has with them, in order to fulfil the requirements of Article 4(1). In such a case, he must be able to prove to the Contracting Entity that he shall have at his disposal the resources necessary including, but not limited to, by delivery of an adequate commitment by those entities to that effect.

5. Maximum Number of Tenderers

All Candidates who qualify will be invited to participate in the next stage of the process, i.e. the Award Stage.

Article 5: Format and Submission of Requests to Participate

1. Deadline for Submission of Requests to Participate

Interested Economic Operators must submit their Requests to Participate no later than the deadline for the submission of Requests to Participate specified in Article 1(5).

2. Submission of Requests to Participate

The Invitation to Submit Request to Participate is available for unrestricted and full direct access, free of charge, at www.euroasia-interconnector.com/procurement.

Requests to Participate should be submitted via the System on or before the date specified for the submission of Requests to Participate in Article 1(5). The Economic Operators that wish to submit a Request to Participate must request access to the System used for this tender procedure by sending an e-mail to the responsible contact person of the Contracting Entity as defined in Article 1(2), mentioning the name of the Economic Operator, address, VAT number, contact name, e-mail and telephone of the contact person. In case the Economic Operators is a consortium of natural and/or legal persons, the leader of the consortium shall be indicated, and the above information shall be provided for each member of the consortium.

Information to access the System will be provided by return of an e-mail. Applicants are advised to request this access as soon as possible as granting access to the System requires at least two (2) working days.

3. Submission after the Deadline

The responsibility for timely reception of Requests to Participate rests with the Economic Operators. Requests to Participate that have not been received by the deadline specified in Article 1(5) shall be excluded.

4. Participation Credentials Sub-folder

The Request to Participate folder in the Pre-qualification Stage should contain the "Participation Credentials" sub-folder. This sub-folder contains the legalisation documents establishing the right of the Interested Economic Operator to participate in the tender procedure pursuant to Articles 3 and 4 and, in particular, comprises the following:

For certifying the eligibility for participation in accordance with Article 3(1)-(5), the following:

- a. If the Candidate is a legal person, proof of its establishment.
- b. If the Candidate is a consortium of natural and/or legal persons, the above supporting documents should be submitted for each legal person participating in the consortium. A Cooperation Agreement, signed by all participants in the consortium, should also be submitted, stating:
 - i. The intention of each participant to participate in the consortium;
 - ii. The participation proportion of each member in the consortium;
 - iii. The consortium member to act as the leader of the consortium; and
 - iv. The person appointed as Representative of the consortium.
- c. The Solemn Declaration Certifying the Candidate's Personal Situation, a template for which is contained in the Appendix I to this Invitation (Form 2), duly completed and signed.
- d. For certifying the Economic and Financial Standing of the Candidate which is required based on Article 3(9),(10),(11), the relevant table, a template for which is contained in the Appendix I to this Invitation (Form 3), duly completed and accompanied by copies or extracts of the audited financial statements for the last three (3) financial years, where the Candidate is obliged to publish audited financial statements (where the publication of audited financial statements is required under the company laws of the country where the Candidate is established) or a Statement of the respective required financial data where the latter is not obliged to publish audited financial statements.
- e. For certifying the technical and professional ability of the Candidate in accordance with Article 4, the following:
 - i. A list of contracts, showing that the participation requirements specified in Article 4(1) are met, which should be in the format of the template contained in the Appendix I to this Invitation (Form 4).
 - ii. Information documenting the successful implementation of the contracts of Article 4(1) as follows:
 - If the employer is a public entity, a relevant certificate issued by the competent public authority.
 - If the employer is a private entity, a certificate from that private entity or, failing this, a simple declaration by the Candidate in which the data of the contact person at the entity where the contract was executed must be given.

- iii. A certificate issued by an independent organisation, attesting the compliance of the Candidate with a quality assurance standard based on the CYS EN ISO 9000 series of Cyprus standards, or other equivalent certifications issued by bodies established in other Member States of the European Union, or other evidence of equivalent quality assurance measures.
- f. If the Candidate relies on the capacities of other entities, submission of the following supporting documents is required:
 - i. Declarations by these entities, whereby they shall guarantee to the Contracting Entity that, should the Candidate be appointed Contractor, they shall place at its disposal the necessary resources as appropriate (Form 6).
 - ii. The declaration of Article 5(4)(c).

It is understood that in such a case, the supporting documents of Article 5(4)(d) and (e) should also include the documents concerning these entities, depending on the resources made available.

- g. Certification regarding the protection of employees, in the format of the template contained in the Appendix I to this Invitation (Form 5).

Interested Economic Operators may obtain information on the obligations deriving from the provisions of the legislation on the protection of the employees and on working conditions currently in force in the Republic of Cyprus and applicable to the place of execution of the Contract Scope as specified in Article 2(3), from the Website of the Department of Labour Inspection of the Republic of Cyprus (www.mlsi.gov.cy/dli). Interested Economic Operators are responsible to obtain the relevant information applicable to the other places of execution of the Contract Scope as specified in Article 2(3), namely Greece (Attica and Crete) and Israel.

5. Supporting Documents

Candidates must submit scanned documents of the originals of the supporting documents required or photocopies thereof.

6. Clarifications on the Supporting Documents

The Contracting Entity may request Clarifications from Candidates. In this case, the Candidates are obliged, under penalty of disqualification, to supply such missing information within five (5) working days from the day on which they are requested to do so.

7. Manner, Order, Numbering and Format of the Requests to Participate

The Requests to Participate must be drawn up in the language specified in Article 1(6) and in the manner, order, numbering and format determined in the present Invitation and be submitted via the System.

8. Cover Page Requirements

The cover page of the Request to Participate must be clearly marked with the following:

- The words "REQUEST TO PARTICIPATE" in block capitals.
- The full title of the Contracting Entity.
- The reference number of the tender procedure.
- The title of the tender procedure.
- The closing date for the submission of Requests to Participate.
- The sender's contact information

9. Irregular Corrections

The Requests to Participate must not bear any irregular corrections (erasures, deletions, additions etc.). If there are corrections, additions etc., these should be initialled by the Candidate or its Representative.

10. Documents to be Submitted

The Request to Participate contains all documents as follows:

- a. The cover page as defined in Article 5(8).
- b. The Request to Participate Form, fully completed and signed by the Candidate or its Representative, in the format of the template contained in the Appendix I to this Invitation (Form 1).
- c. "Participation Credentials" sub-folder, containing the legalisation documents and all other necessary supporting documents for participation in the tender procedure.

Every page of the submitted documents must be initialled by the Candidate or its Representative.

11. Other Formats

Any other format used to draw up the Requests to Participate shall not be acceptable and such Requests shall be rejected as inadmissible.

12. Forms / Declarations Requirements

All requested Forms / Declarations should be signed by an authorised person.

13. Modification or withdrawal of Requests to Participate

Candidates may modify or withdraw their Requests to Participate via the System before the closing date for the submission of Requests to Participate.

14. Amendments after the Submission Deadline

With the exception of the provisions of Article 5(6), no clarification, modification or rejection by the Candidates of a term or item of the Requests to Participate shall be allowed after the closing date for their submission.

15. Withdrawal after the Submission Deadline

Candidates do not have the right to withdraw their Requests to Participate or any part thereof after the closing date for the submission of Requests to Participate. If a Request to Participate or any part thereof is withdrawn after this date, the Candidate is declared as default and is deprived of all of its rights to submit a Tender in response to the present tender procedure.

Article 6: Procedure for the Pre-qualification of Candidates

1. Opening and Evaluation Committee

The Contracting Entity establishes an Opening/Evaluation Committee which, within the powers granted to it, undertakes and handles matters concerning the verification of the Requests to Participate.

2. Opening of the Requests to Participate

Opening of the Requests to Participate submitted within the specified time limit, shall be carried out by authorised persons only.

3. Numbering of the Requests to Participate

The Opening/Evaluation Committee shall number the Requests to Participate and shall enter them in a special form.

4. Validation of the Cover Page and the Request to Participate Form

The Opening/Evaluation Committee shall open the "Request to Participate" folder and shall check the correctness and completeness of the cover page and of the Request to Participate Form (Form 1).

5. Verification of Submitted Documents

After the opening of the “Participation Credentials” sub-folder, the Opening/Evaluation Committee shall verify the correctness and completeness of the submitted supporting documents and the fulfilment of the requirements for participation, as per the specific provisions of Articles 3 and 4 and shall enter the results of this verification in a special form.

6. Rejection of Requests to Participate

If the verification procedure establishes that there are Requests to Participate which do not meet the requirements for participation as required by this Invitation, then the Contracting Entity, through its Opening/Evaluation Committee, shall reject these Requests to Participate.

7. Qualification of Candidates

The Candidates who, after the verification of Article 6(5), are found to meet the requirements for participation, shall qualify to participate in the next stage of the tender procedure, namely the Award Stage.

8. Notification of Qualified Candidates

The Contracting Entity shall inform the qualified Candidates of the results of the Pre-qualification Stage of the tender procedure and shall invite them to participate in the Award Stage of the tender procedure.

9. Cancellation / Notification of Unsuccessful Candidates

The Contracting Entity shall inform all Interested Economic Operators and Candidates, in the event that the tender procedure is cancelled. In all other cases the Contracting Entity shall notify the unsuccessful Candidates of the decision taken and of the reasons for it.

10. Disqualified Candidates

The Contracting Entity shall notify to every disqualified Candidate who submits a relevant application the reasons for which its Request to Participate was rejected.

11. Cancellation of the Tender Procedure

The tender procedure may be cancelled at any stage and for any justified reason(s) judged by the Contracting Entity. The submission of a Request to Participate or a Tender shall not create any obligation for the Contracting Entity to complete the process.

12. Claims for Cancellation

The Interested Economic Operators / Candidates do not maintain and shall waive any claim against the Contracting Entity on account of such cancellation based on Article 8(6) of this Invitation.

13. Suspension

The Contracting Entity reserves the right to suspend the procedure at any time.

Article 7: Legal Framework

1. Legal Framework

The tender procedure will reflect the principles of Directive 2014/25/EU of the European Parliament and of the Council of 26 February 2014 and of the applicable legislation of the Republic of Cyprus.

Article 8: General Rules

1. Eligibility for Participation

Participation in the tender procedure is open to all Economic Operators meeting the legal, financial, technical and other requirements provided for in this Invitation.

2. Applicable Laws, Acts and Regulations

By submitting their Requests to Participate, Candidates are assumed to be familiar with all relevant laws, acts and regulations of the Republic of Cyprus which affect, either directly or indirectly, the tender procedure and the Contract. Moreover, Candidates are assumed to be familiar with all relevant laws, acts and regulations of the places of execution of the Contract as specified in Article 2(3), which affect, either directly or indirectly the execution of the Contract Scope and the project as described in Article 2(2).

3. Insignificant Deviations

The Contracting Entity will consider as acceptable those Requests to Participate which comply with all terms and conditions of the Invitation and may also accept any Request to Participate with insignificant deviations based on its judgment and discretion. Insignificant deviations are considered to be differences that do not affect the scope of the Contract's object or the quality of its execution, do not substantially restrict the rights of the Contracting Entity or the

obligations of the Contractor and do not affect the principle of equal treatment of Candidates and Tenderers.

4. Attempt to Influence the Procedure

Any attempt by or on behalf of a Candidate to influence in any way whatsoever the judgement of the Contracting Entity or of the Opening/Evaluation Committee in the discharge of their duties in connection with the tender procedure or result, shall result in the rejection of its Request to Participate.

5. Exclusion from Participation

Candidates who have obtained or taken in their possession, without legal authority and at their own initiative, information or documents of a secret nature in connection to the tender procedure, shall be excluded from participation.

6. Appeals Procedure

Every Economic Operator being interested in the conclusion of a contract with Contracting Entity shall be entitled to contest, by lodging an appeal, any enforceable act of the Contracting Entity related to the tender procedure which he considers as affecting his interests in an unlawful manner.

Every appeal, in accordance with the aforementioned, shall be lodged in writing against EuroAsia Interconnector Limited, and should be received within 15 calendar days from the next day of the notification of the appealed decision, at the address mentioned in Article 1(1), and examined by the responsible Appeals Committee assigned by the Contracting Entity, which after examining the appeal, shall, as soon as possible, issue a justified decision that will be provided in writing to the party lodging the appeal.

If such time limit elapses inactive, it shall be inferred that the appeal has been dismissed.

II.2.4) **Description of the procurement:**

EuroAsia Interconnector is a multi-terminal VSC-HVDC scheme which will connect Crete and Attica in Greece, Cyprus and Israel, and will comprise four converter stations with sea electrodes, interconnected by cables. The initial development will allow the transfer of minimum 1 000 MW between converter stations and the envisaged voltage level will be ± 400 kV or more. The scheme will be developed under four tender procedures:

— procurement of the VSC HVDC Converters.

— procurement of the HVDC submarine cables and land cables for Link 1: Israel — Cyprus.

— procurement of the HVDC submarine cables and land cables for Link 2: Cyprus — Crete.

— procurement of the HVDC submarine cables and land cables for Link 3: Crete — Attica.

This tender procedure concerns the first of the abovementioned tender procedures and encompasses the design, manufacture, testing, supply, installation and commissioning of the 4 HVDC-VSC Converters and the

4 sea-electrodes including the MVDC submarine cables that will connect the land MVDC cables at the landing point with the sea electrodes. 1 Converter and its associated sea-electrode will be installed in each of the 4 locations, namely Israel, Cyprus, Crete and Attica.

The sea electrodes will be located:

- in Attica at a distance of 37 km from the landing point at a water depth of 30 m,
- in Crete at a distance of 10 km from the landing point at a water depth of 74 m,
- in Cyprus at a distance of 8 km from the landing point at a water depth of 40 m,
- in Israel at a distance of 46 km from the landing point at a water depth of 190 m.
